Application process for EDU360 Specialist School

Due to the specialist SEN (Special Education Needs) nature of our School, we require a thorough application process. We are in the unique position to make certain that we will make every effort to ensure that a child who is offered a place will succeed in reaching their potential.

Step 1: Contact us and book an appointment

- This will give us the opportunity to discuss and discover your child's needs and situation.

Step 2: Complete an application form

- Should you decide that the School is the correct option for your child, please complete the Application form, the Student Background Data form and pay the associated fee.
- The information you provide will be reviewed with great care so that we may determine if the School will meet your child's needs. Our application process is thorough, careful and considered.

Step 2: Attend Discovery

- On occasion, it is necessary for us to request that a student come for Discovery before we accept the student into the School. The Discovery period is two weeks. During this time, we can determine whether the School is a suitable option for the student.
- Please complete the Discovery Registration form, the Student Background Data form and pay the relevant fee.
- If the decision is made that the School is the right fit for your child and that your child is the right fit for the School, then we will proceed to enter the enrolment process.

Step 3: Complete enrolment form and pay the enrolment fees

- An enrolment form will be emailed to you once your child has been accepted into the School.
- Please complete the form and pay the enrolment fees.
